COLORED MEN ARE ADDED TO

FIVE OTHERS WILL ENTRAIN AT DIFFERENT CITIES FOR CAMP TAYLOR.

Instead of 102 colored men as first selected 104 will leave this morning for Camp Taylor. William Henry Gladdish and Freeman Spencer have been added here and will be sent with the others. There will be on the same train on slacker which will make 105. However the slacker goes as an individual and not as one of the present draft quota.

There will be five others who belong to Christian county, but who are away from home, and who will entrain at the places where they are now located. These are:

Leroy Butler, at Terra Haute. Sam Bailey, at Birmingham. Jiles Brinson, at Bloomington. Ullis Smith, at Indianapolis.

If every man passes the required examination on his arrival at Camp Taylor, Christian county will have 110 colored men in this draft in addition to the call for 100.

The Local Board states that there are still numerous requests by men who want to go at this time.

GOV. STANLEY PROCLAIMS FRIDAY, JUNE 28, AS KY.'S WAR SAVINGS DAY.

To the People of Kentucky: Whereas, the people of this Commonwealth, on June 28, 1918, will be afforded an opportunity for self-denial and practical consecration to the great cause to which civilization is pledged; and

Whereas, the material needs of the Government for the successful prosecution of the war are enormous and the only resource of the Government is the property of the people. This can be reached by taxation or by voluntary contribution. Both are necessary to assume success. In addition to the payment of taxes imposed by the nation at this time, each citizen should be willing to practice every character of self-denial. Our smaller savings can best be invested in these stamps. Similar allotments have been made to other States and the President has called upon the people of the various States to indicate their willingness to practice the patriotic self-denial required of all of us by pledging themselves to purchase War Savings Stamps during the remainder of this year. This State has always responded to every call, and I feel assured in this instance it will not be found lacking.

Therefore, I, A. O. Stanley, Governor of Kentucky, hereby proclaim Friday, June 28, 1918, War Savings day for the State of Kentucky, upon which day all persons shall give their pledges for War Savings Stamps at such time and places and in such manner as may be appointed by James B. Brown, War Savings Director for this State, acting under the authority of the Secretary of the Treasury and pursuant to the proclamation of the President of the United States.

In testimony whereof I have caused these letters to be made patent, and the seal of the Commonwealth to be hereunto affixed. Done at Frankfort the 17th day of June, in the year of our Lord, one thousand nine hundred and eighteen, and in the one hundred and twenty-sixth year of the Commonwealth.

A. O. STANLEY.

James P. Lewis, Secretary of State.

By E. Matt Karr, Assistant Secretary of State.

IS CRUSHED UNDER CAR

CERULEAN MAN HURT WHEN LOADED CAR OVERTURNS—BROUGHT TO HOSPITAL.

Thurman Hopson, son of Mack Hopson, of Cerulean, was very seriously hurt yesterday afternoon when his auto overturned and caught him under it, badly crushing and cutting his head.

Mr. Hopson's brother was driving the car and his wife and two children were with them also. The party was on the way to Hopkinsville from their homes in Cerulean and soon after passing Bainbridge the steering gear got out of order and gave them trouble for about five miles before the accident occurred. As they rounded a curve in the road the steering gear became locked and the driver could not guide the car in the road and it lunged over the bank into a ditch on the side of the road and overturned.

The driver received a sprained wrist but the wife and two children escaped unhurt.

The car caught Thurman Hopson under it and crushed his head severely. He was brought to Hopkinsville in another car and taken to the Stuart Hospital where he received the attention of physicians and nurses. He bled profusely and at a late hour last night it was reported that the bleeding was somewhat checked but grave doubt was expressed as to his recovery.

DEMONSTRATION OF PATRIOTISM

GREATEST IN HISTORY OF CHRISTIAN COUNTY WAS TABERNACLE MEETING LAST NIGHT.

On the eve of the departure of the 104 volunteer colored men who leave this morning for Camp Taylor a great patriotic demonstration was given last night at the Tabernacle in their honor and to let them fully understand that the colored people as well as the whites back home are standing firmly behind them and will do all they can to support them while they are fighting at the front.

Every seat was filled and the crowd listened to the speakers with great eagerness and enthusiasm. The meeting was presided over by Rev. Bro. Naught, of the Main street colored Baptist church, and the invocation was by Rev. Metcalfe. Speeches were made by Ed. W. Glass, Eph Poston, W. C. Davis, Jas. Allensworth, Jr., Walter Berry, and other colored speakers, and by Hon. C. R. Calk, Judge Champlin, John Feland and M. L. Elb. The speeches were limited to 5 minutes and strictly adhered to. The singing of patriotic songs was a feature of the rally and has been pronounced beautiful.

ELEVEN-YEAR-OLD YOUTH INSISTS ON JOINING NAVY

(By International News Service.)

Philadelphia, June 20.—Perhaps the most disappointed boy in the Philadelphia district is eleven-year-old Rollo Jacobson, of Lansdowne. He made a round of all the recruiting offices in this city and failed to enlist. "I want to go to France," he pleaded. "I am certain you want a drummer boy to go along with the troops." The young patriot made a splendid impression and at the naval reserve recruiting office he was permitted to fill out an application blank. He stated that he was in the sixth grade at school and that his "nearest of kin" was his baby brother, Marcus, three years old.

By industry and patience the mouse ate into the cable.
